**Re: Universal Service Fund- Louisiana Public Service Commission Certification for
Universal Service Funding (Second Supplemental)**

Dear Ms. Dortch:

The purpose of this letter is to supplement our September 27, 2004 and September 30, 2004 State Commission Certification Letters. It has come to the Louisiana Commission's attention that both certification letters omitted carriers certified by this LPSC as eligible telecommunications carriers for non-rural areas. As stated in the earlier letters, in accordance with the fourteenth Report and Order, Twenty-Second Order on Reconsideration, and Further notice of Proposed Rulemaking in CC Docket No. 96-45, and Report and Order in CC Docket No. 00-256 adopted on May 10, 2001 and released May 23, 2001, the Louisiana Public Service Commission ("Commission" "LPSC") certifies that the additional carriers listed below are eligible telecommunications carriers for non-rural service areas and the Universal Service Funds received by said carriers are being used for the intended purposes as evidenced by the affidavits filed on behalf of the carriers.
